

VALLEY KING BEASTLY WISE GUY FREAK

Valley King

As a true **VALLEY KING** this **BADASS** malt with his sophisticated aroma will always be present in your beer, and the refined strength of this malt will give you the ultimate production results for all of the ale styles of beer.

Beastly

With the strong enzymatic activity of this malt, you will be able to achieve superb starch degradation and high yield utilisation in wort production. So good in brewing, almost like a **BEAST**.

Wise Guy

It makes you an offer you can't refuse. This wheat malt will spur your yeast to produce the enchanting aromas of real wheat beer. Also, your beer will be covered with a solid foam. A really wise friend to your wheat beers.

Freak

Get freaky with Munich Malt: always available but autonomous, recognisable in every beer, sweet and slightly dyed. One of a kind, a really loveable freak.
